Brand New Book ***** Print on Demand *****.Excerpt from The Boy s Book of Battle-Lyrics: A Collection of Verses Illustrating Some Notable Events in the History of the United States of America, From the Colonial Period to the Outbreak of the Sectional War During the last twenty-five years my work in verse has been mainly confined to illustrating the history of the United States, with occasional studies of local life and character. Of this, judging by notices of the press, and their appearance in compilations of a patriotic or martial nature, the metrical narratives of battles seem to have been most approved; and it occurred to me that a volume embracing my productions in that line of literary labor might meet with popular favor. My first intention was to take up every notable event, so that the book might be a complete metrical history, and I prepared partly the matter for the purpose, including the capture of the Serapis and the achievements of Old Ironsides. But I found the volume would be inconveniently large, and I abandoned my plan reluctantly. The historical sketches prefixed...
