SOVEREIGN BLOOD FEUD

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An edgy debut novel of lust, suspense, violence and horror. The first in a series. Pray that this ancient vampire never reunites with his queen . . . Two powerful vampires, Draden and Leandra, are bound by a centuries of passion and separated by human guardians sworn to never let them find each other again . . . Millennia ago, the world knew the terror of these two dark lords when joined in their desire for blood, dominion, and each other. When their mortal subjects rose up against them, they found destroying the two vampiric masters more difficult than they had ever anticipated; the best they could do was separate them . . . in distance and time. Draden cannot remember his beginnings; all he knows is his hunger for blood and for the mysterious woman who haunts his dreams. When the discovery of a relic awakens undead memories, he begins a journey that will ignite old flames and new ambitions, coursing the blood through his cold heart and bringing to life the worst fears of humankind and a war that threatens civilization. Leandra: I can hear the soldiers outside of our door, fighting with the soldiers trying to get inside. Our men easily kill them, and the blood runs thick as it seeps underneath the door and over...
