Past Baltimore City health commissioner Peter Beilenson teams up with former Baltimore Sun reporter Patrick A. McGuire to deliver a compelling, highly readable examination of urban policy and public health issues affecting cities across the nation. Each chapter recounts scenes from episodes of the HBO series, placing the characters challenges into the broader context of public policy. A candid interview with the shows co-creator David Simon reveals that one of the intentions of the series is to expose gross failures of public institutions, including criminal justice, education, labor, the news media, and city government.
