Reviews

It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE GOLDEN SPRUCE A TRUE STORY OF MYTH, MADNESS, AND GREED

W. W. Norton & Company. Hardcover. Book Condition: New. Hardcover. 255 pages. Dimensions: 9.3in. x 6.2in. x 1.0in. The Golden Spruce is the story of a glorious natural wonder, the man who destroyed it, and the fascinating, troubling context in which his act took place. A tree with luminous glowing needles, the golden spruce was unique, a mystery that biologically speaking should never have reached maturity; Grant Hadwin, the man who cut it down, was passionate, extraordinarily well-suited to wilderness survival, and to some degree unbalanced. But as John Vaillant shows in this gripping and perceptive book, the extraordinary tree stood at the intersection of contradictory ways of looking at the world; the conflict between them is one reason it was destroyed. Taking in history, geography, science and spirituality, this book raises some of the most pressing questions facing society today. The golden spruce stood in the Queen Charlotte Islands, an unusually rich ecosystem where the normal lines between species blur, a place where the patient observer will find that trees are fed by salmon and eagles can swim. The islands beauty and strangeness inspire a more personal and magical experience of nature than western society is usually given to. Without romanticizing, Vaillant shows that this understanding is typified by the Haida, the native people who have lived there for millennia and know the land as Haida Gwaii and for whom the golden spruce was an integral part of their history and mythology. But seen a different way, the golden spruce stood in block 6 of Tree Farm License 39, a tract owned by the Weyerhaeuser forest products company. It survived in an isolated set-aside amidst a landscape ravaged by logging. Grant Hadwin had worked as a remote scout for timber companies; with his ease in the wild he excelled at..
